
Bellcore Corporate Data Contracts

Contents

Introduction.....	INTRO-1
Catalog Item Database (CID).....	CID-1
1. Bulk Load/Update.....	CID-3
2. Bulk Retrieval	CID-5
Demand Forecast Group (DFG).....	DFG-1
1. Bulk Load.....	DFG-3
2. CRUD.....	DFG-5
3. Generic Access (Retrieval)	DFG-7
4. PGG Bulk Load.....	DFG-9
5. PGG CRUD.....	DFG-11
JOB Data Layer Building Block.....	JOB-1
1. Approve Budget Views Super Contract.....	JOB-3
2. Create Budget Views Super Contract	JOB-5
3. Generic Job Inquiry.....	JOB-7
4. Transfer Authorization/Jobs Super Contract.....	JOB-9
5. Update Authorization Details.....	JOB-11
6. Update Authorization/Job Approvals.....	JOB-13
7. Update Authorization/Job Charging/Activity Forecasts.....	JOB-15
8. Update Budget Authorization/Job Budget Charging Forecasts	JOB-17
9. Update Budget Details	JOB-19
10. Update Budget Reference Data.....	JOB-21
11. Update Bulk Fund Details and Forecasts	JOB-23
12. Update Catalog Reference Data	JOB-25
13. Update Employee Reference Data	JOB-27
14. Update Financial Reference Data	JOB-29

15. Update Job/Activity Details	JOB-31
16. Update Job Reference Data.....	JOB-33
17. Update Location Reference Data	JOB-35
18. Update Major Program Details	JOB-37
19. Update Organization Reference Data	JOB-39
20. Update Vendor Reference Data	JOB-41
Loop Facilities Assignment and Control System (LFACS)	LFACS-1
1. Add Cable	LFACS-3
2. Add Facility Address	LFACS-5
3. Add Facility Address and Loop	LFACS-7
4. Add Loop	LFACS-9
5. Add Terminal	LFACS-11
6. Change Cable	LFACS-13
7. Change Count Makeup.....	LFACS-15
8. Change Pair Attributes	LFACS-17
9. Change Terminal.....	LFACS-19
10. Inquire Inventory.....	LFACS-21
11. Outside Plant Inquiry	LFACS-23
12. Reservation Update	LFACS-25
13. Service Availability/Reservation Inquiry.....	LFACS-27
14. Service Regrade Inquiry.....	LFACS-29
Location Database (LOC).....	LOC-1
1. Employee Reference Data.....	LOC-3
2. Location Data Maintenance	LOC-5
3. Location Definition Maintenance	LOC-7
4. LOC Generic Inquiry	LOC-9
5. Location Reference Data Maintenance	LOC-11
6. Location Remark Type Domain.....	LOC-13
Network and Services Database (NSDB)	NSDB-1

1. Add Service Order	NSDB-3
2. Add Service Order Output	NSDB-5
3. Cancel Service Order	NSDB-7
4. Cancel Service Order Output	NSDB-9
5. Complete Service Order.....	NSDB-11
6. Complete Service Order Output.....	NSDB-13
7. Complete Service Order Output (first message).....	NSDB-15
8. Complete Service Order Output (second message)	NSDB-17
9. Completion with Correction.....	NSDB-19
10. Inquiry Circuit.....	NSDB-21
11. Network Monitoring	NSDB-23
12. Receive Index.....	NSDB-25
13. Receive Work Order	NSDB-27
14. Send Change Name.....	NSDB-29
15. Send ISDN Circuit	NSDB-31
16. Send Match	NSDB-33
17. Send Update	NSDB-35
18. SNDASG.....	NSDB-37
19. Swap Circuit.....	NSDB-39
20. Swap Service.....	NSDB-41
21. Telephone Number (TN) Swap.....	NSDB-43
22. Unsolicited Match.....	NSDB-45
23. Update Service Order.....	NSDB-47
24. Update Service Order Output.....	NSDB-49
Plug-In Inventory Control System/Detailed Continuing Property Record (PICS/ DCPR).....	PICS-1
1. Annuals Reconciliation.....	PICS-3
2. Detailed Regulatory Monthly Allocation Interface	PICS-5
3. EDI Mechanized Order Acknowledgment/Mechanized Invoice	PICS-7
4. Journal Interface.....	PICS-9

5. Mechanized Payments and Journalization Run	PICS-11
6. Mechanized Reconciliation.....	PICS-13
7. PICS/RISE	PICS-15
8. PICS/WISE	PICS-17
9. TIRKS/PICS Interface	PICS-19
Planning View of Inventory (PVI).....	PVI-1
1. Network Description and Network Description Environment Retrieval	PVI-3
2. Atomic CRUD.....	PVI-5
3. Bulk Load.....	PVI-7
4. IOF and Traffic Study Area Data Retrieval	PVI-9
5. Load of Characteristic Loads	PVI-11
6. Load of Network Element Traffic Load Data.....	PVI-13
7. Load of Performance Results	PVI-15
8. Loop and Switch Study Area Data Retrieval	PVI-17
9. Seed Data Retrieval.....	PVI-19
10. Traffic Measurements Retrieval.....	PVI-21
11. Traffic Monitoring Results Retrieval.....	PVI-23
12. PVI/PLAN Atomic CRUD.....	PVI-25
13. PVI/PLAN Bulk Load.....	PVI-27
Sub-Assembly Model Database (SAM).....	SAM-1
1. Bulk Load/Update	SAM-3
2. Bulk Retrieval	SAM-5
Service Order Analysis and Control (SOAC).....	SOAC-1
1. Print Work Package Transaction.....	SOAC-3
2. Retrieve Exception Data	SOAC-5
3. Service Order Inquiry.....	SOAC-7
4. Service Order Status Messages	SOAC-9
SWITCH® System	SWITCH-1
1. Assign Cable Pair Transfer	SWITCH-3

2. Assign Dial Transfer	SWITCH-5
3. Assign Area Transfer	SWITCH-7
4. Assign Line and Station Transfer.....	SWITCH-9
5. Assign Provisioning Request	SWITCH-11
6. Assign Switch Port Transfer	SWITCH-13
7. Assign Wire Assembly Order	SWITCH-15
8. Assignment Change for Provisioning Request	SWITCH-17
9. Automatic Inclusion of Circuits in Area Transfer	SWITCH-19
10. Automatic Inclusion of Circuits in Dial Transfer	SWITCH-21
11. Bulk Translations Output.....	SWITCH-23
12. Cancel Cable Pair Transfer	SWITCH-25
13. Cancel Dial Transfer	SWITCH-27
14. Cancel Frame Output	SWITCH-29
15. Cancel Line and Station Transfer.....	SWITCH-31
16. Cancel Multi-pass Work Order Frame Output.....	SWITCH-33
17. Cancel Provisioning Request	SWITCH-35
18. Cancel Service Order Jeopardy.....	SWITCH-37
19. Cancel Service Order Line and Station Transfer	SWITCH-39
20. Cancel Switch Port Transfer	SWITCH-41
21. Cancel Wire Assembly Order	SWITCH-43
22. Complete Cable Pair Transfer.....	SWITCH-45
23. Complete Dial Transfer.....	SWITCH-47
24. Complete Frame Output.....	SWITCH-49
25. Complete Line and Station Transfer	SWITCH-51
26. Complete Multi-pass Work Order Frame Output	SWITCH-53
27. Complete Provisioning Request.....	SWITCH-55
28. Complete Service Order Line and Station Transfer.....	SWITCH-57
29. Complete Switch Port Transfer.....	SWITCH-59
30. Complete Wire Assembly Order.....	SWITCH-61
31. Conversion of Pending Integrated Assignment Mode Order.....	SWITCH-63

32. Conversion of Pending Service Orders	SWITCH-65
33. Correct Cable Pair Transfer	SWITCH-67
34. Correct Cable Pair Transfer Translation Redundancy Management	SWITCH-69
35. Correct Dial Transfer	SWITCH-71
36. Correct Dial Transfer Translation Redundancy Management	SWITCH-73
37. Correct Integrated Assignment Mode Provisioning Request.....	SWITCH-75
38. Correct Non-Service Order Line Station Translation Redundancy Management	SWITCH-77
39. Correct Provisioning Request	SWITCH-79
40. Correct Provisioning Request	SWITCH-81
41. Correct Switch Port Transfer	SWITCH-83
42. Correct Switch Port Transfer Translation Redundancy Management	SWITCH-85
43. Correct Track and Distribute Only Mode Provisioning Request.....	SWITCH-87
44. Correct Translation Transformation for Dial Transfer	SWITCH-89
45. Establish Cable Pair Transfer.....	SWITCH-91
46. Establish Cable Pair Transfer Translation Redundancy Management.....	SWITCH-93
47. Establish Dial Transfer.....	SWITCH-95
48. Establish Dial Transfer Translation Redundancy Management	SWITCH-97
49. Establish Frame Jeopardy	SWITCH-99
50. Establish Frame Output.....	SWITCH-101
51. Establish Frame Work Completion Information for Dial Transfers	SWITCH-103
52. Establish Line and Station Transfer	SWITCH-105
53. Establish Maintenance Change	SWITCH-107
54. Establish Maintenance Change Translation Redundancy Management ..	SWITCH-109
55. Establish Multi-pass Work Order Frame Output	SWITCH-111
56. Establish Non-Service Order Line and Station Translation Redundancy Management .	SWITCH-113
57. Establish Plan for Multi-pass Work Order Frame Output	SWITCH-115
58. Establish Switch Port Transfer.....	SWITCH-117
59. Establish Switch Port Transfer Translation Redundancy Management...	SWITCH-119
60. Establish Telephone Number Aging.....	SWITCH-121

61. Establish Telephone Number Aging Translation Redundancy Management SWITCH-123	
62. Establish Wire Assembly Order.....	SWITCH-125
63. Establish a Telephone Number Swap	SWITCH-127
64. Establish an Integrated Assignment or Track and Distribute Only Mode Provisioning Request.....	SWITCH-129
65. Establish and Assign Integrated Assignment Mode Provisioning Request ...	SWITCH-131
66. Establish and Assign Provisioning Request.....	SWITCH-133
67. Establish and Assign Track and Distribute Only Mode Provisioning Request	SWITCH-135
68. Establish and Send Exception Message	SWITCH-137
69. Establish the Removal of an Assembly.....	SWITCH-139
70. Inquiry for Assembly	SWITCH-141
71. Inquiry for Circuit	SWITCH-143
72. Inquiry for Group.....	SWITCH-145
73. Inquiry for Network Unit.....	SWITCH-147
74. Record Only Provisioning Request.....	SWITCH-149
75. Report SWITCH Entity Relationship Query Language.....	SWITCH-151
76. Request Multi-pass Work Order Frame Output.....	SWITCH-153
77. Request Translation Redundancy Management.....	SWITCH-155
78. Resend Provisioning Request Frame Output	SWITCH-157
79. Resend Provisioning Request Response	SWITCH-159
80. Resend Work Order Frame Output	SWITCH-161
81. Update Assembly	SWITCH-163
82. Update Bulk Allocation	SWITCH-165
83. Update Cable Link	SWITCH-167
84. Update Centrex Group	SWITCH-169
85. Update Circuit	SWITCH-171
86. Update Collection	SWITCH-173
87. Update Conditioning Equipment	SWITCH-175
88. Update Equipment Group	SWITCH-177

89. Update Frame	SWITCH-179
90. Update Frame Termination	SWITCH-181
91. Update Groups	SWITCH-183
92. Update Integrated Services Digital Network	SWITCH-185
93. Update Intelligent Controller	SWITCH-187
94. Update Intelligent Controller Equipment.....	SWITCH-189
95. Update Inventory Order	SWITCH-191
96. Update Load Balance	SWITCH-193
97. Update Load Division	SWITCH-195
98. Update Load Factor.....	SWITCH-197
99. Update Miscellaneous Equipment	SWITCH-199
100.Update Reservations	SWITCH-201
101.Update Series Completion Hunt Sequence.....	SWITCH-203
102.Update Switch Port.....	SWITCH-205
103.Update Telephone Number List	SWITCH-207
104.Update Terminating Equipment	SWITCH-209
105.Update Theoretical Usage	SWITCH-211
106.Update Translations Data	SWITCH-213
107.Update Transmission Equipment.....	SWITCH-215
108.Work Session Initialization Validate.....	SWITCH-217
109.Work Session Initialization for Assembly.....	SWITCH-219
110.Work Session Initialization for Assignment.....	SWITCH-221
111.Work Session Initialization for Bulk Allocation	SWITCH-223
112.Work Session Initialization for Cable Pair Transfer	SWITCH-225
113.Work Session Initialization for Centrex Groups	SWITCH-227
114.Work Session Initialization for Circuit.....	SWITCH-229
115.Work Session Initialization for Collection	SWITCH-231
116.Work Session Initialization for Dial Transfer	SWITCH-233
117.Work Session Initialization for Equipment Groups	SWITCH-235
118.Work Session Initialization for Frames	SWITCH-237

119. Work Session Initialization for Group.....	SWITCH-239
120. Work Session Initialization for Group Reference Data.....	SWITCH-241
121. Work Session Initialization for Integrated Services Digital Network.....	SWITCH-243
122. Work Session Initialization for Intelligent Controllers.....	SWITCH-245
123. Work Session Initialization for Inventory Order.....	SWITCH-247
124. Work Session Initialization for Line Station Transfer.....	SWITCH-249
125. Work Session Initialization for Load Division.....	SWITCH-251
126. Work Session Initialization for Load Factor.....	SWITCH-253
127. Work Session Initialization for Maintenance Change Ticket.....	SWITCH-255
128. Work Session Initialization for Network Unit.....	SWITCH-257
129. Work Session Initialization for Provisioning Request.....	SWITCH-259
130. Work Session Initialization for Reservations.....	SWITCH-261
131. Work Session Initialization for Switch Port Transfer.....	SWITCH-263
132. Work Session Initialization for Telephone Number List.....	SWITCH-265
133. Work Session Initialization for Translation Transformation for Dial Transfer.....	SWITCH-267
134. Work Session Initialization for Wire Assembly Order.....	SWITCH-269
135. Work Session Initialization for Work Orders.....	SWITCH-271
136. Assign Channel Transfer.....	SWITCH-273
137. Assign Frame Transfer.....	SWITCH-275
138. Cancel Area Transfer.....	SWITCH-277
139. Cancel Capacity Activation Order.....	SWITCH-279
140. Cancel Channel Transfer.....	SWITCH-281
141. Cancel Frame Transfer.....	SWITCH-283
142. Complete Area Transfer.....	SWITCH-285
143. Complete Capacity Activation Order.....	SWITCH-287
144. Complete Channel Transfer.....	SWITCH-289
145. Complete Frame Transfer.....	SWITCH-291
146. Correct Area Transfer.....	SWITCH-293
147. Correct Channel Transfer.....	SWITCH-295
148. Dial Transfer for Centrex Groups.....	SWITCH-297

149.Establish Area Transfer	SWITCH-299
150.Establish Capacity Activation Order	SWITCH-301
151.Establish Channel Transfer.....	SWITCH-303
152.Establish Frame Transfer.....	SWITCH-305
153.Immediate Report for Network Unit Map	SWITCH-307
154.Immediate Report for Route	SWITCH-309
155.Inquiry for Capacity Activation Order	SWITCH-311
156.Prepare Telephone Number	SWITCH-313
157.Re-execute Capacity Activation Order.....	SWITCH-315
158.Update Carrier Controller.....	SWITCH-317
159.Update Carrier Controller Port	SWITCH-319
160.Update Channel or Call Reference Value.....	SWITCH-321
161.Update Overlay for Dial Transfer Switch Ports	SWITCH-323
162.Work Session Initialization for Area Transfer	SWITCH-325
163.Work Session Initialization for Assignable Telephone Number.....	SWITCH-327
164.Work Session Initialization for Capacity Activation Order	SWITCH-329
165.Work Session Initialization for Carrier Controllers	SWITCH-331
166.Work Session Initialization for Channel Transfer.....	SWITCH-333
167.Work Session Initialization for Frame Transfer	SWITCH-335
168.Work Session Initialization for Measurement Groups	SWITCH-337
TIRKS	TIRKS-1
1. Equipment & Facility Monitoring Interface	TIRKS-3
2. Exchange Access Interface	TIRKS-5
3. Loop Facility Utilization Interface.....	TIRKS-7
4. On-line WORD Interface	TIRKS-9
5. Order Status Reporting Interface	TIRKS-11
6. PICS Plug-in Inventory Resynchronization Interface.....	TIRKS-13
7. Plug-in Inventory Resynchronization Interface	TIRKS-15
8. Provisioning Plug-in Confirmation Interface.....	TIRKS-17
9. Provisioning Plug-in Order Completion Interface	TIRKS-19

10. Provisioning Plug-in Request Interface	TIRKS-21
11. Test Details Interface	TIRKS-23
12. WORD Issue Interface	TIRKS-25
Unit Inventory Data Layer Building Block (UI).....	UI-1
1. Bar Code Scanning Contract.....	UI-3
2. Generic Inquiry	UI-5
3. Span Makeup Data Report	UI-7
4. Update Assembly Details.....	UI-9
5. Update Connectivity Details	UI-11
6. Update Network Unit Details.....	UI-13
7. Update Telecommunication System Details	UI-15
Work and Force Administration/Control (WFAC).....	WFA/C-1
1. Test Request Contract	WFA/C-3
2. TR - TOS Testing.....	WFA/C-5
