Notice of Disclaimer	3
How to Use This Catalog	4
Organization	4
Ordering Information	4
The Generic Requirements Process	5
1. Switching Systems and Signaling	9
1.1 LATA Switching Systems (LSSGR) and Related Switching Information	10
1.2 Central Office Switching Equipment	42
1.3 AMA (Usually Switch-based), Billing, and Usage Measurements	44
1.4 Common Channel Signaling (CCS/SS7)	55
1.5 Broadband Switching Systems	73
1.6 Operator Services and LIDB	77
2. Transmission/Transport Equipment/Technologies	85
2.1 Transport Systems and Technologies (General)	86
2.2 Asymmetric Digital Subscriber Line (ADSL)	109
2.3 Digital Loop Carrier/Integrated Digital Loop Carrier (DLC/IDLC)	111
2.4 Synchronous Optical Network (SONET)	118
2.5 Multiplexing (ADM, WDM, DWDM)	125
3. Distribution Networks, Equipment, and Facilities (Including Tools, Peripherals, Outside Plant)	129
3.1 Fiber Access Systems	130
3.2 Fiber Media & Components	133
3.3 Metallic Wire and Cable	149
3.4 Distribution Components (Poles, Towers, Huts, Vaults, Repeaters, etc.)	156
4. Operations, Maintenance, Surveillance, Control, Synchronization	169
4.1 Operations Technology Generic Requirements (OTGR)	170
4.2 DIOCES	196
4.3 Telecommunications Management Network (TMN)	202
5. Network Architectures and Services	209
5.1 Toll Free (800, 888, 877, etc.)	210
5.2 Advanced Intelligent Network (AIN)	212
5.3 CLASS, ISCP, PSDS, PPSN, ADSI	219
5.4 Integrated Services Digital Network (ISDN)	226
5.5 Information Networking Architecture (INA)	253
5.6 Local Number Portability (LNP)	256
5.7 Internet Services	258
5.8 Broadband (ATM, SMDS, Frame Relay, Cell Relay)	261

5.9 Emergency Services (E9-1-1)	269
6. Non-Wireline Service (Radio/Satellite)	271
6.1 Mobile, Cellular, Wireless Services	272
6.2 Personal Communications Services (PCS)	276
7. Common Areas	279
7.1 COMMON LANGUAGE Coding	280
7.2 Reliability and Quality Requirements	281
7.3 Network Equipment-Building Systems (NEBS), Physical Design, Supplier Documentation . 297	
7.4 Network Protection and Power	304
7.5 Year 2000 Date Change Impacts	311
7.6 Security	312
7.7 General, Nonspecific	314
8. Network Access Interfaces and Routing, Network Unbundling	319
8.1 Industry Support Interfaces (Service Provider Information Exchanges)	320
8.2 Traffic Routing Administration (TRA)	324
8.3 Network Bundling and Unbundling	325
9. Next Generation Network	327
9.1 Next Generation Network (General)	328
9.2 Voice Over Packet	332
10. Other	337
Indexes	
New and Recently Updated Products	359
Alphabetical Index of Product Identifiers	362
Numerical Index of Product Identifiers	374
Index of Titles	386
Acronyms	460
