

ADSI Credit and Debit Card Reader and PIN Entry Pad CPE Compatibility Considerations (A Module of ADSI, FR-12)

Contents

1. Introduction.....	1-1
1.1 Purpose and Scope	1-2
1.1.1 Notation	1-4
1.1.2 Related Documents	1-5
1.2 Target Audience	1-5
1.3 Background	1-5
2. Stand-alone Device Compatibility Considerations and Protocol	2-1
2.1 Lower Layer Protocol.....	2-1
2.2 Message Layer Protocol.....	2-3
2.2.1 Summary of Commands and Responses.....	2-15
2.3 Typical Session Scenario	2-16
2.4 Security Considerations, Industry Standards, and FCC Regulations....	2-19
3. Integrated CPE Card Reader Compatibility Considerations and Protocol	3-1
3.1 Lower Layer Protocol.....	3-1
3.2 Message Layer Protocol.....	3-2
3.3 Typical Session Scenario	3-6
3.4 Security Considerations, Industry Standards, and FCC Regulations.....	3-8
References.....	References-1
Glossary.....	Glossary-1
