Telcordia SR-3874-Documentation Information

Notice Of Disclaimer	iii
List of Tables	vi
1 Introduction	
2 Frame Relay Certification Process	
2.1 Frame Relay Certification Assessment Process	2-2
2.2 Frame Relay Certification Support	2-3
3 Frame Relay Certification Criteria	
3.1 Type A – Frame Relay Physical Transport Certification Criteria Summary . . .	3-1
3.2 Type B – Frame Relay PVC UNI Protocol Conformance Certification Criteria Summary	3-2
3.3 Type C – Frame Relay PVC NNI Protocol Conformance Certification Criteria Summary	3-3
3.4 Type D – Frame Relay Features and Functions Certification Criteria Summary	3-3
3.5 Type E – Frame Relay Traffic Performance and Congestion Management Certification Criteria Summary	3-3
3.6 Type F – Frame Relay Switching System-to-Switching System Interoperability Certification Criteria Summary	3-4
4 Frame Relay Certification – Detailed Criteria	
4.1 Frame Relay Physical Transport Certification: Detailed Criteria	4-1
4.2 Frame Relay PVC UNI Protocol Conformance Certification: Detailed Criteria	4-2
4.3 Frame Relay PVC NNI Protocol Conformance Certification: Detailed Criteria	4-30
4.4 Frame Relay Features and Functions Certification: Detailed Criteria	4-59
4.5 Frame Relay Traffic Performance and Congestion Management Certification: Detailed Criteria	4-60
4.6 Frame Relay Switching System-to-Switching System Interoperability Certification Criteria	4-65
Appendix A: References	
Note	A-2
To Contact Telcordia Customer Service or to Order Documents	A-2
To Order Documents From Within Telcordia (Employees Only)	A-2
To Request Telcordia Testing Services	A-2
