# Object Oriented Process Metrics (OOPM)

## Contents

|   |           |
|---|-----------|
| Preface .....                           | Preface-1 |
| 1. Introduction.....                    | 1-1       |
| 1.1 Purpose.....                        | 1-1       |
| 1.2 OOPM Overview .....                 | 1-2       |
| 1.2.1 Audience for OOPM .....           | 1-2       |
| 1.2.2 Life Cycle Model .....            | 1-2       |
| 1.2.3 Concept of OO Managed Entity..... | 1-2       |
| 1.3 OOPM Threshold.....                 | 1-3       |
| 1.4 OOPM Control Criteria.....          | 1-3       |
| 1.5 OOPM Action Plans.....              | 1-3       |
| 1.6 Bases for OOPM .....                | 1-3       |
| 2. Approach.....                        | 2-1       |
| 2.1 Measurement Framework.....          | 2-1       |
| 2.2 Measurement Methodology .....       | 2-1       |
| 2.3 Measurement Coverage.....           | 2-2       |
| 3. Class Size .....                     | 3-1       |
| 3.1 Purpose.....                        | 3-1       |
| 3.2 Affecting Factors.....              | 3-1       |
| 4. Method Size .....                    | 4-1       |
| 4.1 Purpose.....                        | 4-1       |
| 4.2 Affecting Factors.....              | 4-1       |
| 5. Class Inheritance .....              | 5-1       |
| 5.1 Purpose.....                        | 5-1       |
| 5.2 Affecting Factors.....              | 5-1       |
| 6. Method Inheritance .....             | 6-1       |
| 6.1 Purpose.....                        | 6-1       |
| 6.2 Affecting Factors.....              | 6-1       |
| 7. Class Internal.....                  | 7-1       |
| 7.1 Purpose.....                        | 7-1       |
| 7.2 Affecting Factors.....              | 7-1       |
| 8. Class External .....                 | 8-1       |
| 8.1 Purpose.....                        | 8-1       |
| 8.2 Affecting Factors.....              | 8-1       |
| 9. Class Quality .....                  | 9-1       |

---

|                         |                                       |              |
|-------------------------|---------------------------------------|--------------|
| 9.1                     | Purpose .....                         | 9-1          |
| 9.2                     | Affecting Factors.....                | 9-1          |
| 10.                     | Class Library .....                   | 10-1         |
| 10.1                    | Purpose .....                         | 10-1         |
| 10.2                    | Affecting Factors.....                | 10-1         |
| Appendix A:             | OOPM Threshold Control Criteria ..... | A-1          |
| A.1                     | OOPM Scoring Scheme .....             | A-1          |
| A.1.1                   | Condition GREEN .....                 | A-1          |
| A.1.2                   | Condition YELLOW.....                 | A-1          |
| A.1.3                   | Condition RED.....                    | A-1          |
| A.1.3.1                 | Scoring Example.....                  | A-2          |
| Appendix B:             | OOPM Action Plan .....                | B-1          |
| B.1                     | Action Plan Details .....             | B-1          |
| References              | .....                                 | References-1 |
| Glossary                | .....                                 | Glossary-1   |
| Requirement-Object List | .....                                 | Rol-1        |

## List of Tables

|            |   |     |
|------------|---|-----|
| Table 2-1. | Measurement Framework .....               | 2-1 |
| Table 2-2. | OOPM Metrics and OO LC Applicability..... | 2-2 |
