

## 13. Embedded Operations Interfaces

### CONTENTS

13. Embedded Operations Interfaces . . . . .	13-1
13.1 Introduction . . . . .	13-2
13.2 Memory Administration Interfaces . . . . .	13-3
13.2.1 Introduction . . . . .	13-3
13.2.2 Remote Memory Administration System (RMAS) . . . . .	13-4
13.2.3 SEAS System . . . . .	13-5
13.2.4 Service Management System (SMS) . . . . .	13-6
13.3 Network Maintenance: Network Element and Transport Surveillance Interfaces . . . . .	13-9
13.3.1 Introduction . . . . .	13-9
13.3.2 Switching Control Center System (SCCS) . . . . .	13-9
13.3.3 Surveillance and Control Systems (TASC and TCAS) . . . . .	13-11
13.4 Network Maintenance: Access and Testing Interfaces . . . . .	13-14
13.4.1 Introduction . . . . .	13-14
13.4.2 Loop Maintenance Systems (LMOS and MLT) . . . . .	13-15
13.4.3 Switched Access Remote Test System (SARTS) . . . . .	13-16
13.4.4 Digital Data System (DDS) . . . . .	13-17
13.5 Network Traffic Management Interfaces . . . . .	13-19
13.5.1 Introduction . . . . .	13-19
13.5.2 Engineering and Administrative Data Acquisition System/Network Management (EADAS/NM) . . . . .	13-20
13.5.3 Service Evaluation System (SES) . . . . .	13-21
13.6 Network Traffic Data Administration Interfaces . . . . .	13-23
13.6.1 Introduction . . . . .	13-23
13.6.2 Engineering and Administrative Data Acquisition System (EADAS) . . . . .	13-23
13.7 Acronyms . . . . .	13-26
INDEX . . . . .	Index-1
